

It's Your Move

Josh Kelley

Walk out the door, going to do it
Stop bringing me down
You make all these threats you don't mean
Stop playing me now Wake up, wake up
Don't screw this up Do you want me to stop you?
Should I make a scene?
Throw my beer at the wall?
Do you want me to scream that I don't really love you?
Cause I really do
Girl, I don't wanna fight
I've got nothing to prove
If you want this as bad as I do, then it's your move
It's your move
If our ship's going down, I don't care
I just wanna be on it
Cause we built something beautiful here
And God I still want it, yeah Wake up, wake up
Don't give this up Do you want me to stop you?
Should I make a scene?
Throw my beer at the wall?
Do you want me to scream that I don't really love you?
Cause I really do
Girl, I don't wanna fight
I've got nothing to prove
If you want this as bad as I do, then it's your move
It's your move If you're gonna leave, then just leave
But I don't want you to
I don't want you to
You want me to stop you
Should I make a scene?
Throw my beer at the wall?
Do you want me to scream that I don't really love you?
Cause I really do
Girl, I don't wanna fight
I've got nothing to prove
If you want this as bad as I do, then it's your move
It's your move
It's your move
It's your move, yeah
