

# Let Them Thangs Go

[2pac](#)

Throw them thangs  
Throw them thangs  
Throw them thangs  
Yo, nigga  
The quicker the nigga can go on  
The faster the nigga can get his dough on  
Then I can hit my flow an' get my ho on  
Them niggas don't know what goes on  
They tryin' to fuck with all they clothes on  
Then act up when all the hoes gone  
Are you ready for my flow? Hit me, ho  
Are you ready for my flow? Hit me, ho  
Are you ready for my flow? Hit me, ho  
Stop frontin' motherfucker, let them thangs go  
I'm quick to kill a nigga, any nigga feel me, nigga  
You can't fade me, I'm way to fuckin' real, nigga  
'2Pacalypse Now' still down with the underground  
Niggas get clowned when I come around  
Boom boom motherfucker an' it don't stop  
Fuck a cop, pass the glock an' it won't stop  
If ya ready for my flow, hit me, ho  
If ya ready for my flow, hit me, ho  
If ya ready for my flow, hit me, ho  
Stop frontin' motherfucker, let them thangs go  
If ya wonderin', the thunder an' the trouble  
Is comin' from the rebel as I hit ya from the lower level  
Hit me once fuckin' D M an' two times  
Poppin' like two nines, hittin' 'em with new rhymes  
I can make you love me  
Best to chill with the nigga 'cause ya sure can't punch me  
If ya feel me let me hear ya say rock that shit  
If ya feel me let me hear ya say rock that shit  
If ya feel me let me hear ya say rock that shit  
'Cause ain't a nigga alive that can stop the hit  
Hey, hold on, young 'Pac, motherfuckers ain't ridin'  
No hookers out here, punk motherfuckers think the town  
Ain't got handle bars on an' shit an' ya lie to get slapped  
Behind here with a motherfuckin' motor, punk sissy  
Check this out, y'all finna come up off

Those motherfuckin' thangs 'cause I ain't finna be up  
Here sweatin' for nothin', ya little punk square nigga  
I'm quick to spit the shit get ya open  
Straight outta Oakland, fuck the law, get ya jaw broken  
Ba-ba-bang bang, nigga, it's a stick up D  
Turn the kick up, I'm ready to rip the shit up, G  
They got me hype, hype, hyper, am I hype enough?  
Pass the blunt, motherfucker, let me light shit up  
An' pump ya fist like this  
'Cause the cops can't flip on a whole damn clique  
So suck dick  
What they hittin' fo'? Double up nigga, it's on  
The type of nigga that likes to bone with the lights on  
If ya ready for a nigga, hit me, ho  
If ya ready for a nigga, hit me, ho  
If ya ready for a nigga, hit me, ho  
Stop frontin' motherfucker, let them thangs go  
Yes, some of you niggas are bitches too  
Little square motherfuckers, tryin' to get to who?  
Pop pop, never made it to ya punk ass clique  
Talk shit, now ya gotta get ya punk ass whipped  
For the bitches that be tryin' to work a nigga  
For the tramps that be tryin' to jerk a nigga  
For the rollers that be tryin' to urk a nigga  
I'ma hustle an' you punks can't hurt me, nigga  
If ya ready for a nigga, hit me, ho  
If ya ready for a nigga, hit me, ho  
If ya ready for a nigga, hit me, ho  
Stop frontin' motherfucker, let them thangs go  
Hit me, yeah, let them thangs go  
I'm a straight rider  
I'm a straight rider  
I'm a straight rider
