

Rockstar (Mark Krupp Dubstep Remix 2011)

Prima J

(Oh) tell me what you think you're lookin' at,
(No) so I think I'm Queen Elizabeth,
(Oh) and now I'm stuck inside your memory,
(So) that's why it's so hard to get rid of me I'm incredible, so unforgettable,
So no one can take my place
I'm unbreakable, highly flammable,
So girl get out my face Oh my god I'm going crazy
Maybe cause we were so amazing
Everybody in there dazin'
That's the reason why they're hatin',
Treat us like some superstars
And only cause that's what we are
You know we're going really far
And ya'll ain't even heard it all You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate me cause I'm everything that you ever wanted to be
And that I'm lying cause I love it when you lookin' at me
Cause I'm a rock star, a rock star,
I said that I'm a rock star, a rock star,
(Keep lookin' at me) (Wow) It seems to me like I was botherin'
(How) cause I make walkin' look like modelin'
(How) it ain't my fault the boys keep followin'
(wow) if you were better he wouldn't be wonderin' I'm incredible, so unforgettable,
So no one can take my place,
I'm unbreakable, highly flammable,
So girl get out my face Oh my god I'm going crazy
Maybe 'cause I'm so amazing
Everybody in there dazin'
That's the reason why they're hatin'
Treat us like some superstars
And only cause that's what we are
You know we're going really far
And ya'll ain't even heard it all You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate me cause I'm everything that you ever wanted to be

And that I'm lying cause I love it when you lookin' at me
Cause I'm a rock star, a rock star,
I said that I'm a rock star, a rock star,
(Keep lookin' at me)(Ladies) we're Prima J you know it
We're not afraid to show it
We hold our crown and that's right
It can't stop us now
The cloud we're on is golden
They can't fix what's not broken
Don't act like ya'll don't know
What's bout to happen now You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate me cause I'm everything that you ever wanted to be
And that I'm lying cause I love it when you lookin' at me
Cause I'm a rock star, a rock star,
I said that I'm a rock star, a rock star,
(Keep lookin' at me) You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate cause I'm a rock star, a rock star,
A pretty little problem, uh-huh,
You hate me cause I'm everything that you ever wanted to be
And that I'm lying cause I love it when you lookin' at me
Cause I'm a rock star, a rock star,
I said that I'm a rock star, a rock star,
(Keep lookin' at me)
