

Big Area

Then Jerico

I was taken by surprise, I was shattered by your [Incomprehensible] eyes
Living far beyond my means, do you know how that feels?
I was waiting for so long, I was praying to belong
Only holding out to see and believing there's only one
Strong enough and hard enough to give you away In this big area of mine, sometimes you break me up inside
Saying I, I want to let you go
Got that feeling if anyone who comes to know you
Long enough will give you away There was never one as I, who could stand the reasons why
Who would even take the time, did you care? Was I right?
Only once did you try, even then it was hard enough
Just for you to realize or believe there was only one
Strong enough and hard enough to give you away In this big area of mine, sometimes you break me up inside
Saying I, I want to let you go
Got that feeling if anyone who comes to know you
Long enough will give you away In this big area, whoa
In this big area of mine, sometimes you break me up inside
Saying I, I want to let you go
Got that feeling that anyone who comes to know you
Long enough will give you away Sometimes you break me up inside in this big area of life
Saying I, I want to let you go
Got that feeling if anyone who comes to know you
Long enough will give you away I was taken by surprise, I was shattered by your eyes
Breaking down something so right and so fine
