

# Strong Enough

Clem Snide

There is nothing to be scared of  
Love it's only one gray hair  
There is love, there is love  
Strong enough to doubt Here's a napkin, dry your eyes  
Don't cut onions in your mind  
'Cause you have love, you have love  
Strong enough to doubt And you're the flower of my heart  
That my thoughts can't tear apart  
And we have love and we have love  
Strong enough to doubt
