

# Shouldn't Have Bothered

## Prong

It is a reason why I got control  
It's the treason, better off alone  
Got an answer; individual creed  
Got advantage, don't really need 'em  
Shouldn't have bothered  
Reaching out to fools  
They're the patients, conditions; worse  
Got the patience, it's in the works  
Their impressions are such a waste  
My investment is my own fate
