Jezabel

Ricky Martin

You will walk into a room
You've got killer eyes that hypnotize
You're dangerous
Oh yeah, you're dangerous
You've got a sneaky kinda strut
It's too hot to touch
Can't trust a thing you do or say
Gotta stay away
One by oneYou've gone from man to man
Until your mission is done
Jezebel, kiss and tell
You use your body, just to castYour spell
And sell your story
You're just a Jezebel, kiss and tell
You ride the headlines like a carouselOf fame and glory
I'm going down your winding road
Around those killer curves
That work my nerves
You're dangerous
Slippery and dangerousYou've got a camera down your shirt
You've got a slit in your skirt
For your dirty work tonight
Now ain't that rightHere you come
You've gone from bed to bed to bed
And now the damage is done
Jezebel, kiss and tell
You use your body, just to castYour spell
And sell your story
You're just a Jezebel, kiss and tell
You ride the headlines like a carousel
Of fame and gloryOne by one
You've gone from man to man
Until your mission is done
Jezebel, kiss and tell
You use your body, just to castYour spell
And sell your story
You're just a Jezebel, kiss and tell
You ride the headlines like a carousel

Of fame and glory
