I Know Someone

Ginny Owens

You have built yourself a fine fortress
And you're the only one who holds the key
You've resolved to pilot your own ship
And you decide what all the rules'll be
No more asking for answers
No more cries for help
You've been hurt for the last time
That's what you tell yourself[CHORUS:]
I don't know much more than this
But I know someone who does
I was not there in your past
But I know someone who was
I can't heal what lies within
But I know someone who can
I know someone who can
It's a drag living life like this
Believe me, I've been there a thousand times
Spending everyday on the defense
And building walls no one could ever climb
Till somebody showed me my fortress was a cage
He granted me my freedom
Since then I haven't been the same[CHORUS:]So you can lock me out
Of your life as you've designed it
But I know there's peace and
I'll be on my knees till the day you find it
Yeahhh...oooh
I can't fully understand
O no[CHORUS:]I know someone, I know someone
