

Dance And Dense Denso

Molotov

Brincos, jalones, codazos y empujones
De caca recorde los famosos pisotones
Ojos morados patada en los cojones
En el slam entre matudos y pelones Santo Tomas de los pelos parados
A narizazos su pie le dejaste madriado
Cayo el pedo, cayo de mi lado
Dance, dense denso todo empanizado Faster than the rayo
We's the new freestylers a caballo
Bone break dance intenso let go
Dance and dense denso Dance, dance and dense denso
Dance, dance and dense denso
Dance, dance and dense denso Excuse me, if you hear me getting too loud
Its that I get kind of crazy when you get me around a crowd Put a codo in you puto
You get knocked out
Come on, sugar foot
You're gonna end up getting plowed Come on, get rowdy, come on, get bloody
Come on, get sweaty, hit somebody If you got the balls come and take a chance
And brace yourself cause its some dense ass dancing Faster than the rayo
Wes the new freestylers, a caballo
Bone break dance intenso let go
Dance and dense, denso Dance, dance and dense, denso
Dance, dance and dense, denso
Dance, dance and dense, denso Dance, dance, dance, dance
Dense denso, dense denso
Dance, dance, dance, dance
Dense denso, dense denso Dance, dance, dance, dance
Dense denso, dense denso
