

# Bury Me

## Smashing Pumpkins

Boys, let's do it Bury me in love  
Bury me in love Shared your kisses  
Take your heart  
Buried me and it hurts I love my sister so  
She don't smother me  
I played the spades I know  
I'm a Jack of all trades, would you bury me? Once you see her, one inside  
Some things you just can't hide  
If you see her, tell me why  
Why won't she come outside? If you see her, tell me why  
Why won't she come outside?  
Once you see her, one inside  
Some things you just can't hide She will bury me  
She will bury me
