Get In Line

I'm from Barcelona

Oh oh oh oh, oh oh oh.
Oh oh oh oh, oh oh oh.
Oh, ah.

[Verse 1]
Boy, it's kinda plain to see you gotta crush on me.
Hate to be bringin' you down, down, down, down.

But I'm more than a flossy girl, more like a string of pearls.
So boy you better calm down, down, down, down.

Cause I got 10 in the left tryina get me at the disco.
20 in my right tryina take me to a rock show.
30 in the back trying harder and the list goes on and on, goes on and on.

[Chorus]
Cause you've been blowing me up on the cellyphone.
Tryina get a little love, tryina get me alone.
But if you wanna get a piece of this heart of mine.
Boy stop, Get In Line.

There's a lot of pretty boys wrapped around on the block.
So don't be waisting my time with your crazy talk.
If you wanna get a piece of this heart of mine.
Boy stop, Get In Line. Get In Line.

[Verse 2]
Girls, you know the way boys are.
Like outta tune guitars whenever we shut 'em down, down, down, down.
They cry each and every time because their same old lies won't keep us coming around, round, round, round.

Cause I got 10 in the left tryina get me at the disco.
20 in my right triyna take me to a rock show.
30 in the back trying harder and the list goes on and on, goes on and on.

[Chorus]
Cause you've been blowing me up on the cellyphone.
Tryina get a little love, tryina get me alone.
But if you wanna get a piece of this heart of mine.

Boy stop, Get In Line.

There's a lot of pretty boys wrapped around on the block.
So don't be waisting my time with your crazy talk.
If you wanna get a piece of this heart of mine.
Boy stop, Get In Line. Get In Line.

So all the fellas linin' up, let's see whatchu got.
Me and my ladies we'll decide do you got what we want?
Boy, you better be ready if you get to the front.
You're only gettin' one chance to win my love.

Cause you've been blowin' me up... (oh, oh oh oh.)
Tryina get a little love (oh, oh, oh,oh)
But if you wanna get a piece of this heart of mine.
Boy stop, Get In Line.

There's a lot of pretty boys wrapped around on the block.
So don't be waisting my time with your crazy talk.
Cause if you wanna get a piece of this heart of mine.
Boy stop, Get In Line. Get In Line. Get In Line. Get In Line.
