Didn't I

Leela James

Gave my best,gave my all
forced me against the wall
tired of trying to make it right and i knew it was wrong
and all along i closed my eyes
things i should have known was high
instead i feel for your disguise
and you saw my demiseand im still standing here
through my pain my sweat my tears, oh
still smile coz its alright
you did me cold but i survived
CHORUS::
i gave my best to you
oh didnt i
gave my best to said didnt i
give my best to you
said didnt i didnt i didnt didnt i didnt i
Didnt i gave my best to said
didnt i give my best to you
said i tried and i tried and i triedDidnt i trust you and treat you like you were my king,
tried to help(?) but you were on the sly
but im still standing here
through my pain, my sweat my tears, oh still smile coz its alright
you did me cold but i survivedno more using me
no more playing me
no more betraying me
no no no no
CHORUS::
