

Fighting The Darkness

Primal Fear

[I: Fighting The Darkness]Awakening - I open up my eyes

Befallen me - doomed to this unlife

Still I am determined not to break

I won't let go and let it seal my fateBut I'm falling, deeper

Help me pleaseI'm fighting the darkness within me

Can you hear my call

Feels like I'm frozen under my skin

I'm forever lost

Here in the shadows in the twilight

Life is eternal and my past is forsaken

I'm fighting the darknessAll that's left is the poison in my veins

Deep inside I'm going through a changeAnd I'm falling, deeper

Help me pleaseI'm fighting the darkness within me

Can you hear my call

Feels like I'm frozen under my skin

I'm forever lost

Here in the shadows in the twilight

Life is eternal and my past is forsaken

I'm fighting the darkness[II: The Darkness][Instrumental][III: Reprise]I'm fighting the darkness within me

Can you hear my call

Feels like I'm frozen under my skin

I'm forever lost

Here in the shadows in the twilight

Life is eternal and my past is forsaken

I'm fighting the darkness
