

What Am I Supposed to Do

Brian Dolzani

She gave me a rose then she disappeared
The black widow mates and then she kills
The beating of hearts bottles on the floor
I can't get you back or hold you still

What am I supposed to do
What am I supposed to do

I'm older now, in a different world
I hope you have found what you're looking for
I never told you this before
But you were in my heart
Do we ever know what we're looking for

What am I supposed to do
What am I supposed to do
What am I supposed to do

If I wait for redemption and if I lose
If I wait for condition before I choose
I would let this moment pass me by
I won't let this moment pass me by

What are we supposed to do
