I Could Never Hurt You Girl

Ralfi Pagan

Hey baby, oooh darlin, with a smile that run through and through, how can I even think of hurting you (hurting youu) with a touuuuch that brings me, new light (new light) and makes this whole makes this whole world, turn on a brand new light (brand new light) I love I love you love you (iiii love youu) I need I need you oh yes I do, and to all the girls, I know in this world, I want a chance to love youuu and thatâ€™s why (thatâ€™s why) I could neve hurt you girl (hurt youu) I love I love I love I love I love I love I love ohh hey baby I canâ€™t see nobody by my side but youuuuu. Darling I got to have you darling I got to have youu ohh I love you, yeah. I love I love I love I love I love I love, heyy baby I canâ€™t be without you darlin I got to have you.
