

Let the Monkey Ride

The James Hunter Six

Oh I can't stand to leave that girl alone
And if I explained it till the cows came home
You'll never understand how I feel inside
 Oh so you better get her off my back
Oh let the monkey rideThey say you better let her go, she's no good for you
 Oh but I couldn't cut her loose if I wanted to
 If the truth be told, I never tried
 Oh so you better get her off my back
Oh let the monkey rideLooks to me she's got me hooked, rest assured there ain't no cure
 I need a soul where the me I know, can't be denied
 Don't you know she's got a hold of my heart
 No but don't wait around for us to drift apart
 Cause I can't get enough to be satisfied
 Oh so you better get her off my back
 Oh let the monkey ride
 Cause I can't get enough to be satisfied
 Oh so you better get her off my back
 Oh let the monkey ride
