Nothing Came Out

The Moldy Peaches

Just because I don't say anything
Doesn't mean I don't like you
I open my mouth and I try and I try
But no words came out
Without 40 oz. of social skills
I'm just an ass in the crack of humanity
I'm just a huge manatee
A huge manatee
And besides you're probably holding hands
With some skinny, pretty girl that likes to
Talk about bands and
All I wanna do is ride bikes with you
And stay up late and watch cartoons
Duck Tales, shirt tails, Talespin, Sailor Moon, GI Joe, Robotech, Ron Jeremy, Schmoo
I wanna watch cartons with you
Josie and the Pussycats and Scooby Doo
I want you to watch cartoons with me
He-man, Voltron and Hong-Kong-Fui
I tried to ask you to your face
But no words came out
I put on my hood and walked away
That doesn't mean I don't like you
And besides your probably holding hands
With some skinny, pretty girl that likes to
Talk about bands and
All I wanna do is ride bikes with you
And stay up late and maybe spoon
Just because I don't say anything
Doesn't mean I don't like you
No
I opened my mouth and I tried and I tried
And besides you're probably holding hands
With some skinny, pretty girl that likes to
Talk about bands and
All I wanna do is ride bikes with you
And stay up late and watch cartoons
I'm just your average Thundercats ho
