Quite Early Morning (with Spoken Introduction)

Pete Seeger

Don't you know it's darkest
Before the dawn
This thought keeps me
moving on
(2x)
If we could heed these early warnings
The time is now quite early morning
Some say that humankind won't long endure
But what makes them feel
So dog-one sure?
(2x)
I know that you who hear my singing
Make those freedom bells go ringing
And so we keep on while we live
Until we have no more to give
(2x)
And when these fingers can strum no longer
And the old banjo to young ones stronger
Don't you know it's darkest
Before the dawn
This thought keeps me
moving on
(2x)
Through all this world of joy and sorrow
We still can have
singing tomorrow
