

# All in a Day's Work

## Eels

When I was born the doctor said  
"There's something wrong inside that baby head"  
When I was a boy at Sunday school  
(Yea)

I told them all that they were fools All in a day's work  
To live and breathe  
A sight to see  
And so it goes I went into the fortune teller's  
She wouldn't read my horoscope  
I go into the laundromat  
(Yea)

The people all buy extra soap All in a day's work  
To live and breathe  
A sight to see  
All in a day's work  
To live and breathe  
A sight to see  
(Ooo)  
(Ooo hoo hoo oo)  
(Ooo hoo hoo oo)
