

First Kiss On Mars

Stone Temple Pilots

Take a risk and listen to the radio
Click your heels at the bi-polar disco
Fly down the villa destination sign
Everybody feels the days but waits for summer nights Boy meets girl
Date night, drive-in, modern love
(Oh, oh, oh, oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh, oh, oh, oh) Can we really find
A lovely magic place we dream of
Super magic robots set the
Solar system free? Reel over
Reel over and over
Reel over, reel over Take a risk and listen to the radio
Click your heels at the bi-polar disco
Fly down the villa destination sign
Everybody feels the days but waits for summer nights Boy meets girl
Date night, drive-in, modern love
(Modern love) Can we really find
A lovely magic place we dream of
Where super magic robots set the
Solar system free? Reel over
Reel over and over
Reel over
Reel over and over Reel over
Reel over and over
Reel over
Over and over again
