Hello Walls

Rick Nelson

Hello, hello, hello, helloHello walls, hello, how things go for you today?
Don't you miss her since she upped and walked away
And I'll bet you dread to spend another lonely night with me
Lonely walls I'll keep you companyHello window, hello, well, I see that you're still here
Aren't you lonely since our darling disappeared
Well, look here, is that a teardrop in the corner of your pane
Don't you try to tell me that it's rainShe went away and left us all alone the way she planned
Yes, we'll have to learn to get along without her if we can
