Sweat

Bobby Newberry

Imma make you sweat. Push that button up, push that button down. Release all around and pound pound pound. We drinking up, we throw up down down, you tell us this is all that life's about, driving speed cars. Full speed like a car, full speed on your body rawr. You like a birthday gift, you break down. SWEAT SWEAT SWEAT SWEAT DOWN SWEAT SWEAT SWEWT UP. LETS MAKE LOVE LIKE ANIMALSSSSS. WE ALL LIKE KPOP
