**Bobby Newberry**

Imma make you sweat. Push that button up, push that button down. Release all around and pound pound pound.  
We drinking up, we throw up down down, you tell us this is all that life's about, driving speed cars. Full speed  
like a car, full speed on your body rawr. You like a birthday gift, you break down. SWEAT SWEAT SWEAT  
SWEAT DOWN SWEAT SWEAT SWEWT UP. LETS MAKE LOVE LIKE ANIMALSSSSS. WE ALL LIKE
