

Glad I Waited Just For You

Reba McEntire

(royce porter, bucky jones)

Use to be (use to be)

Love was mean to me

Every love I tried my heart cried that won't do

Now you see (now you see)

Love's been good to me I guess my love was waiting just for you

You and me (you and me) (you and me)

Go so well as we

Fit right to a t

Can't you see we do

Chorus:

Gotta say (gotta say) (gotta say)

Your love's got a way

Of making me glad

I waited just for you

I should have known

That my heart could not be wrong

Repeat chorus 4 times
