Freight Train

Izzy Stradlin

I heard a freight train back on the rail again
I heard a whistle blowin' off in the distance
It's hot as hell here, the heat's been growin'
It's hot as hell dear, oh well you know it
She's comin' offa the rail throwin' gravel
in a hell of a waveI heard a freight train - been haulin' hemp again
Yeah smokin' on the rails,
Yeah I need a head check
It's hot as hell here, feels like it's glowin'
It's hot as hell dear, yeah now I'm goin'
She comin' offa da rail
Throwin' gravel in a hell of a wave
Conductor he don't know,
Radio the engineer to brakeHere come a freight train haulin' the gold away
Another money car yeah in a big way
It's hot as hell here, I can't feel nothin'
It's hot as hell dear, well ain't that somethin'
She comin' over the hill
She comin' offa the rail and goin' up
