Are 'Friends' Electric?

Republica

It's cold outside
And the paints peeling off of my walls
There's a man outside
In a long coat, grey hat, smoking a cigaretteNow the light fades out
And I wonder what I'm doing in a room like this
There's a knock on the door
And just for a second I thought I remembered youSo now I'm alone
Now I can think for myself
About little deals
And S.U's
And things that I just don't understand
A white lie that night
Or a sly touch at times
I don't think it meant anything to youSo I open the door
It's the 'friend' that I'd left in the hallway
'Please sit down'
A candle lit shadow on a wall near the bedYou know I hate to ask
But are 'friends' electric ?
Only mine's broke down
And now I've no-one to loveSo I find out your reason
For the phone calls and smiles
And it hurts
And I'm lonely
And I should never have tried
And I missed you tonight
It must be time to leave
You see it meant everything to me
