

# Caroline

## Status Quo

If you want to turn me onto  
Anything you really want to  
Turn me onto your love, your love If the nighttime is the right time  
Anytime of yours is my time  
We can find time for love, sweet love Come on, sweet Caroline  
You're my sweet Caroline  
You know I wanna take you  
I've really got to make you  
Come on, sweet Caroline  
Take my hand, together we can rock 'n' roll When I'm thinking of you sleeping  
I'm at home alone and weeping  
Are you keeping your love, sweet love? Do you still care when I'm not there?  
Do you really wish I was there?  
Can I come there for love, sweet love? Come on, sweet Caroline  
You're my sweet Caroline  
You know I wanna take you  
I've really got to make you  
Come on, sweet Caroline  
Take my hand, together we can rock 'n' roll If you want to turn me onto  
Anything you really want to  
Turn me onto your love, your love Come on, sweet Caroline  
You're my sweet Caroline  
You know I wanna take you  
I've really got to make you  
Come on, sweet Caroline  
Take my hand, together we can rock 'n' roll
