Remember when I die...
Baby when I die...
will there still be love in your eyes for me ?

will you still to see thing the same way you see ?
baby when I die
I want your pretty face to be the last thing I see !
Im sorry, I' m stuck in my ways..
I pray everyday that maybe one day I will change...
You know the rest
You say my lifes a mess and I'm possessed and obsessed
I just think Im overstressed...(when I die)
And I finally paid the cost will u jus take it as a loss
So jus think about the pain that I caused
And when I die will you remember me
And all the good in me....(ohh when I die)that you only see on the ???? Of me...(chorus)
When I die ..
when I die ey ey ...
Will you be on my side ?
Miss me with pride?
And keep me on the life ?
Tell me baby..OoOo when I dieeeee
OoOo when I dieeeee
Will you remember me ???
Like I remember you!!!
And all the time you spent with me...
And all the things we used to do
Youll never really know
How much u meant to me
My heart will be with you until then end
just wait and see.....(chorus 2x)
Remember...when I die ...
Gurl dont chu cry...
Jus dry your eyes...
I never meant for me to say good bye....buh
Remember when I die..
