

Lord I'll Fly

Legacy

Prelude....

When the sun has risen and I face another day,
I just remember who I am and that Jesus is the way.

(Echo) Is the way...

Though the world tries to break me, make me stumble
make me fall; then I get down on my knees...LORD I pray
I call...

Chorus

And I'll fly...

(Echo) To a place so high above...

LORD I'll fly...

(Echo) To a place of perfect peace
I'm gonna fly...

(Echo) To see and feel the Love
LORD, so high...

(Echo) Feel the Love that will not cease.
LORD, I'll fly.

Bridge

When this life is over, and the war with sin ends...

and all the dead are risen,

Ooo...and He calls us to be with Him...

(Echo) With Him...

I will see his face, OH! I'm gonna sing Him praise
Give him a sweet embrace, then I'll stretch out my arms and...

Chorus

And I'll fly...

(Echo) To a place so high above...

LORD I'll fly...

(Echo) To a place of perfect peace
I'm gonna fly...

(Echo) To see and feel the Love
LORD, so high...

(Echo) Feel the Love that will not cease.
OH, YEAH!

Just think of that day...
(Echo) Just think of that day
 Oh and won't it be great
(Echo) Won't it, Won't it be great
 When all we have to do is
 (Echo) All we have to do
 Lord I'm looking to the sky
 I'm gonna fly!!...
 AND I'll FLY!
 (Echo) I'll fly, I'll fly, I'll fly
 Lord!!!!
 (ECHO) I'll fly
 And I'll fly...
 Lord so high...
 I'm gonna spread my wings and fly...
