Slow Dance

Unwritten Law

Hey pretty face, I'll spin you out of control
We're gonna dance, dance, dance till the end of the show
We gotta move baby, baby, so come on lets go
I gotta rock in my pocket, what you think that is for?
And we can drive little honey
To the top of the hills
I got the time and the money
If you're coming with pills
Let's go, yeah, are you looking for the long way home?
Do you love me? Yeah yeah
Yeah, are you looking for the long way home?
Not above me, yeah, yeah
I hide away from the sunshine
We keep going until the morning light
I hide away from the sunshine
And these are the good times, yeah alright
Slow dance, take a chance with me
Dance with me, dance with me , go go
Slow dance take a chance with me
Dance with me, dance with me, go go
So come on, sugar sugar, to the top of the ride
We'll be alright little momma, we're still up all night
So take a chance, slow dance with me, don't you know
I got a plan, take my hand, 'cause I'm ready to go
Alright, yeah, are you looking for the long way home?
Do you love me, yeah yeah
Yeah, are you looking for the long way home?
Not above me, yeah yeah
I hide away from the sunshine
We keep going until the morning light
I hide away from the sunshine
And these are the good times, yeah alright
Yeah, these are the good times, yeah alright
Slow dance, take a chance with me
Take off your pants with me
Dance with me, dance with me
Go go
Slow dance, take a chance with me
Take off your pants with me

Dance with me, dance with me
Go go
Slow dance, take a chance with me
Take off your pants with me
Dance with me, dance with me
Go go go
I hide away from the sunshine
We keep going until the morning light
I hide away from the sunshine
And these are the good times, yeah alright
Yeah, these are the good times, yeah alright
