

# Down 'n' Dirty

## Steelheart

Well, I've been around the world, well, I've seen all kinds of girls  
But not like the one I met last night  
She said, Boy, I really like your style, forgive me if I appear too wild  
But I want to mow you down like a freight train I jumped back, I saw the fire in her eyes  
Well, I started shaking in my shoes  
She said, Relax babe, you're in good hands  
Oh, tell me what have you got to lose Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more  
Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more Back seat, she was running hot, she said, Baby give me all you  
got  
Time for dirty dog to come feed the kitty  
Well, we were bumpin' and grindin' all night, hanging on with all my might  
Rollin' till the train was running off the tracks The smoke cleared, I looked into her lovin' eyes  
Well, I knew my love was on the line  
I said, Girl, I'd be a fool to let you go  
She said, Come on boy, stop wastin' time Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more  
Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more Oh baby, yeah that's it, that's it baby  
A little lower, c'mon  
Ah, no no no no, not there, yeah, that's it  
Speed up now, c'mon I'm goin' down down, down down  
I'm goin' down down, down down  
And I'm goin' down down, oh, down down  
And I'm goin' down, down, down, down, down, down, down Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more  
Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more Baby, c'mon baby, baby, b-b-baby  
C'mon and shake me, shake me, shake Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more  
Get down n' dirty, lay it on the floor  
Shake, shake it up baby, shake it up some more  
Get down n' dirty
