

# Dearest

## Picture Me Broken

A little less innocence  
His morals aren't so well defined  
You're here again, the rush begins  
A line of joy and suicideI can't find the words to say this  
I'm running out of patienceDearest I'm so sorry you're disturbed  
You know I'd hang on every word  
With each breath you take I think I've learned  
Careful you might get burnedTears tug at the corners of my eyes  
But I won't let them go this time  
You're here again, the rush begins  
A line of joy and suicideI can't find the words to say this  
I'm running out of patienceDearest I'm so sorry you're disturbed  
You know I'd hang on every word  
With each breath you take I think I've learned  
Careful you might get burnedLet's go...Dearest I'm so sorry  
But this is not workingHolding onto what I fight for  
Bleeding for you,  
A face to die for (x2)Dearest I'm so sorry you're disturbed  
You know I'd hang on every word  
With each breath you take I think I've learned  
Careful you might get BURNED
