She's the Only One

The Rifles

When my baby's lonely
When she's lost her smile
I call her up just to tell her
That it's only gonna be for a whileShe's my one and only
The only thing worth while
She lets me know I'm her fella
and I'm never gonna leave her sideShe's the only one, She's the only one
She's the only one in all I do
The only thing on my mindWhen my baby's lonely
When she's lost her smile
I call her up just to tell her
That I'm coming down to dry her eyesShe's my one and only
The only thing worth while
I know we'll always be together
Cause I'll never find a better way
Of spending my timeShe's the only one, she's the only one
She's the only one in all I do
The only thing on my mindI lose myself whenever she's away
Don't sleep at night and sit around all day
No one I know would ever take her placeShe's the only one
She's the only one in all I do
The only thing on my mind
