

Vegetable (live at the Metro)

Radiohead

I never wanted anything like this
I worked hard, tried hard
I ran around in domestic bliss
I fought hard, died long
Every time you're running out of here
Every time you're running I get the fear I never wanted any broken bones
Scarred face, no home
Your words surround me and asphyxiate
And I burn all hate Every time you're running out on me
Every time you're running I can see I'm not a vegetable
I will not control myself
I spit on the hand that feeds me
I will not control myself The waters spray, the waters run all over me
The waters spray, the waters run
And this time you gonna pay I'm not a vegetable
I will not control myself
I spit on the hand that feeds me
I will not control myself
