

# Sadus Attack

## Sadus

I can't wait to steal the Stage  
To quench my Thirst  
For Neon is what I Crave  
Throughout the Day  
So feed your Face  
Sadus will take Control  
Steal the Show  
Kill them all's  
The final Command  
ATTACK! Torture  
We need D.T.P.  
Death to posers is what I mean  
Stand tall, never Fall  
We will Rise to kill them all  
There's an Evil in your Brain  
Driving you fucking Insane  
Torture  
Fighting off  
The Evil in your Brain  
At any Cost  
To Release you from this Pain  
Death will come  
The final Sign will arrive  
To torture your Mind  
Anybody from deep inside  
Torture  
Torture  
There's an evil in your Brain  
Driving you fucking insane  
Torture  
Fight!
