A Punchup at a Wedding

Radiohead

I don't know why you bother
Nothing's ever good enough for you
I was there
And it wasn't like that
You came here
Just to start a fightYou had to piss on our parade
You had to shred our big day
You had to ruin it for all concerned
In a drunken punch up at a weddingHypocrite opportunist
Don't infect me with your poison
A bully in a china shopWhen I turn around you stay
Frozen to the spot
The pointless snide remarks
Of hammer headed sharks
The pot will call the kettle black
