

Roadkill

[Nina Nastasia](#)

I'm feeling myself against the ground
Out on the highway waiting down
Buffalo rumble in the wind
Sometimes in the wind
Sometimes...Shame, shame on myself, can't take the heat
I start to drink a shady tree
And watch the hell lights coming down on meLet yourself go
I hear them say
It's beautiful
I'm not afraid
This is "happy" ever afterOh, my my security
Is running in circles over me
But i don't think i'll stick around
This timeLet yourself go
I hear them say
It's beautiful
I'm not afraid
This is "happy" ever afterLet yourself go
I hear them say
It's beautiful
I'm not afraid
This is "happy" ever after
