

# Nothing (From "Why Did I Get Married Too?")

Janet Jackson

There's something I wanna say  
Something I've been holding back  
Can't let it go another day  
Let me start by saying that Nothing, nothing  
Nothing means more than the truth And truth is that I realize  
Love is fading from your eyes  
Don't know how it came to this  
But we gonna get it fixed tonight 'Cause nothing, nothing  
Nothing is worth losing you Tell me what could the problem be  
That's got you drinking way too much  
What could it be 'bout us?  
Don't you tell me, "Not right now", I can't let it go  
(I can't let it go, no, I can't let it go, oh no) What can I do to help you see  
That there's no need for jealousy or insecurities?  
I'll do anything you want  
You can even have the password to my phone Because nothing, nothing  
Should come between us  
Trust in me  
Trust in me Cherish every moment  
Like it's the last  
Trust in me  
Trust in me If your issue is with trust  
Hear me when I tell you this  
No one else has shared my love  
No one else has had your kiss Nothing, nothing  
Nothing can make me forget, no Forget that you're a good man  
And I know that you've had it hard  
'Cause you're more than adequate  
You're more than I wish for Nothing, nothing  
Nothing can make you any less Tell me what could the problem be  
The past is something I can't change, it's a brand new day  
Don't you tell me, "Not right now"  
I can't let it go  
(Can't let it go, no, I can't let it go, oh no) We've got to fix this, fix this right this minute  
Only pure love can calm the noise  
'Cause baby, when we give pure love  
Pure love will never come back to us void Because nothing, nothing  
Should come between us  
Trust in me

Trust in me Cherish every moment

Like it's the last

Trust in me

Trust in me
