

# Change

## Heather Headley

[Verse 1:] I tried so many times but nothing happened,  
It seemed the task at hand was much too great for me.  
I spent my yesterdays wondering if tomorrow would be the same.  
I underestimated Your grace.

But you loved me in spite of my ways  
And changed me.

[Chorus:] Change

That's the word that comes to mind when I think of all you've done for me.

Oh, oh, change

It's kinda' strange how people say that I act so differently

Oh, oh change

Every passing day I find it easier to say...

"What a wonderful change in me."

[Verse 2:] Now I find myself staring in the mirror

Taking inventory of the things I see.

I never realized that there was so much missing deep inside

Until you took control of my life.

Like an eagle now I can fly

Cause you changed me.

[Chorus:] Change

That's the word that comes to mind when I think of all you've done for me.

Oh, oh, change

It's kinda' strange how people say that I act so differently

Oh, oh change

Every passing day I find it easier to say...

"What a wonderful change in me."

[Bridge:] And everyday I pray that you'll open my eyes to see things your way

Cause I wanna love like you,

Walk like you,

Live like you.

Whatever you have to do

Even if you change me Lord.

[Chorus:] Change

That's the word that comes to mind when I think of all you've done for me.

Oh, oh, change

It's kinda' strange how people say that I act so differently

Oh, oh change

Every passing day I find it easier to say...

"What a wonderful change in me."
