Don't Let Me Down (Illenium Remix)

The Chainsmokers

Crashing, hit a wall
Right now I need a miracle
Hurry up now, I need a miracle
Stranded, reaching out
I call your name but you're not around
I say your name but you're not aroundI need you, I need you, I need you right now
Yeah, I need you right now
So don't let me, don't let me, don't let me down
I think I'm losing my mind now
It's in my head, darling I hope
That you'll be here, when I need you the most
So don't let me, don't let me, don't let me down
D-Don't let me downDon't let me down
Don't let me down, down, down
Don't let me down, don't let me down, down, downRunning out of time
I really thought you were on my side
But now there's nobody by my sideI need you, I need you, I need you right now
Yeah, I need you right now
So don't let me, don't let me, don't let me down
I think I'm losing my mind now
It's in my head, darling I hope
That you'll be here, when I need you the most
So don't let me, don't let me, don't let me down
D-Don't let me downDon't let me down
Don't let me down, down, down
Don't let me down, down, down
