

Got Me Good

Ciara

My back is aching, my bra too tight
My booty's shaking from the left to the right
My back is aching, I'm so in love
Baby all I know is you got me good
It's been too long baby too long
It's time to start a new game, game, game, a new game
It's been too long baby too long
Let's play before it's too late, late, late it's too late
Put your hands on my ah!
Baby touch me like that
Make my body boom boom
When you touch me like that
Touch me like that, When you touch me like that
Make my body boom boom
Baby touch me like that
Nobody can make me feel, make me feel so right
Nobody but you
Nobody can make me feel like dancing all night
Nobody but you
You got it, yeah you know you got me good
Yeah, you got it, yeah you know you got me good, yeah
Nobody can make me feel like you do baby
You got me good
My back is aching, my bra too tight
My booty's shaking from the left to the right
My back is aching, I'm so in love
Baby all I know is you got me good
I want baby I want you with me for a long time, time, a long time
So gone yeah we're so gone
We going till the sunrise
Put your hands on my ah!
Baby touch me like that
Make my body boom boom
When you touch me like that
Touch me like that, When you touch me like that
Make my body boom boom
Baby touch me like that
Nobody can make me feel, make me feel so right

Nobody but you
Nobody can make me feel like dancing all night
Nobody but you
You got it, yeah you know you got me good
Yeah, you got it, yeah you know you got me good, yeah
Nobody can make me feel like you do baby
You got me good
My back is aching, my bra too tight
My booty's shaking from the left to the right
My back is aching, I'm so in love
Baby all I know is you got me good
[Beat break] You got me good
You-you got me good
You got me good
You-you got me good
All night, baby, all night, baby, all night
All night baby baby let me let me all night
All night, baby, all night, baby, all night
All night baby baby let me let me all night
Nobody can make me feel, make me feel so right
Nobody but you
Nobody can make me feel like dancing all night
Nobody but you
You got it, yeah you know you got me good
Yeah, you got it, yeah you know you got me good, yeah
Nobody can make me feel like you do baby
You got me good
My back is aching, my bra too tight
My booty's shaking from the left to the right
My back is aching, I'm so in love
Baby all I know is you got me good
