

# Crank It Up (ft. Akon)

## David Guetta

She's the keys to my starter in my automatic car  
Yeah she make me wanna go harder and she always lift the bar  
When she keep that spotlight glowing cause she is a superstar  
Everybody notice this girl when she step up in the place whether near or farThe way she crank it up  
The way she crank it up  
The way she crank it up  
The way she cranks it upThe way she crank it up  
The way she crank it up  
The way she crank it up  
The way she cranks it upShe might not be the one you see in a magazine  
She might not be the one you fantasize in your dream  
She's the only girl left in the world that can guarantee what you need tonightWith my G's and we riding in a  
magnificent car  
And we rolling with the baddest chicks and you won't see a flaw  
Booty riding up so perfect, badder than my Audemars  
And I pound it up so perfect it'll hit her 'til tomorrowWatch her crank it up  
The way she crank it up  
The way she crank it up  
The way she cranks it upThe way she crank it up  
The way she crank it up  
The way she crank it up  
The way she cranks it upShe might not be the one you see in a magazine  
She might not be the one you fantasize in your dream  
She's the only girl left in the world that can guarantee what you need tonightWith my G's and we riding in a  
magnificent car  
And we rolling with the baddest chicks and you won't see a flaw  
Booty riding up so perfect, badder than my Audemars  
And I pound it up so perfect it'll hit her 'til tomorrowThe way she crank it up  
The way she crank it up  
The way she crank it up  
The way she cranks it upThe way she crank it up  
The way she crank it up  
The way she crank it up  
The way she cranks it upShe's trying to make me fall in love again, yeah  
The way she moving I can tell you she's almost there, yeahShe might not be the one you see in a magazine  
She might not be the one you fantasize in your dream  
She's the only girl left in the world that can guarantee what you need tonightThe way she crank it up  
The way she crank it up  
The way she crank it up

The way she cranks it upThe way she crank it up

The way she crank it up
