Aeiou

Brightside

I am, I am
A little stressed, a little less
Than you rely on
You are, you are
A little piece of what I need
To get me through
You tell me to tell you
What Iâ€™ve been thinking
You tell me to tell you
Whatâ€™s on my mind
You tell me to tell you
What Iâ€™ve been thinking
I tell you, I tell you

That A-E-I owe you an apology again
Cause A-E-I canâ€™t get O you off of my mind
And A-E-I owe you an apology again
Cause A-E-I canâ€™t get O you off of my mind
And A-E-I owe you an apology again
Cause A-E-I canâ€™t get O you off of my mind

I said hello, you said goodbye
How could I ever think that I
Iâ€™m better off without you?
But Iâ€™m thinking every day
That she could be the way
I spend the time I usually
Would spend off on my own
And she could be the change
A way to rearrange monotony
Sheâ€™s all I needed

And A-E-I owe you an apology again
Cause A-E-I canâ€™t get O you off of my mind
And A-E-I owe you an apology again
Cause A-E-I canâ€™t get O you off of my mind

And A-E-I
Cause A-E-I
Canâ€™t get O you off of my mind

And A-E-I owe you an apology again
Cause A-E-I
Canâ€™t get O You off of my mind

And A-E-I
Cause A-E-I
Canâ€™t get O you off of my mind
And A-E-I
Cause A-E-I
Canâ€™t get O you off of my mind
