

# Run

## Foo Fighters

Wake up  
Run for your life with me  
Wake up  
Run for your life with me In another perfect life  
In another perfect light  
We run  
We run  
We run The rats are on parade  
Another mad charade  
What you gonna do?  
The hounds are on the chase  
Everything's erased  
What you gonna do?  
I need some room to breath  
You can stay asleep  
If you wanted to  
They say that's nothings free  
You can run with me  
If you wanted to Yeah you can run with me  
If you wanted to Before the time runs out  
There's somewhere to run  
Wake up  
Run for your life with me  
Wake up  
Run for your life with me In another perfect life  
In another perfect light  
We run  
We run  
We run  
Run! We are the nation's stakes  
If everything's erased  
What you gonna' do?  
I need some room to breathe  
You can run with me  
If you wanted to Yeah you can run with me  
If you wanted to Before the time runs out  
There's somewhere to run  
Wake up  
Run for your life with me

Wake up  
Run for your life with meIn another perfect life  
In another perfect light  
We run  
We run  
We run  
Run!Wake up  
Run for your life with me  
Wake up  
Run for your life with meIn another perfect life  
In another perfect light  
We run  
We run  
We run  
Run!
