Mercurochrome

Steel Pole Bath Tub

I don't wanna be anyone
I don't wanna say what's on my mind
I love people but it just makes me hate em
All the more
All that I want toIn my hand is a cigarette
Burning at the end of my arm
There will be important time to climb the wall
But your a comin' tooSacred parts
Overdrive
Throw my body into the sea(She comes at me, meanwhile)
It was probably the most beautiful thing I've ever seen
Somethin' like crawling across the green tiled bathroom floor
Shattering all over the sink
Outside the dogs are barkin' in the yard
The flames begun to leak through the screen door
Deep down I knew it was time for me to leave
Deeper still I knew there was no place for me to go
(She comes at me, Meanwhile!)
