

# We Stitch These Wounds

## Black Veil Brides

You kissed the lips of evil,  
Two months, it's all the same,  
Beg for this man's approval,  
Pray to die in vain,  
Sit down with thoughts alone, now,  
With blood these lyrics came,  
Your words can eat right through me,  
Dead could hear my shame,  
The tears we've cried,  
This love has died,  
You're by yourself with me tonight,  
It's what we hide with every lie,  
And Stitch These Wounds with me tonight,  
I'll think of it each time I touch you,  
Or every time I hear his name,  
These walls will never crumble,

Here's our cause to blame,  
The tears we've cried,  
This love has died,  
You're by yourself with me tonight,  
It's what we hide with every lie,  
And Stitch These Wounds with me tonight,  
LIAR (x3) (optional growl)  
The tears we've cried,  
This love has died,  
You're by yourself with me tonight,  
It's what we hide with every lie,  
And Stitch These Wounds with me tonight, (x2)  
LIAR (x3)  
Say Goodbye.
