

Outrage

Serial Joe

Lyrics: dan stadnicki & ryan dennis

Music: serial joe

© 1999 You wanna take it to the next level

Walkin' among the street and burn like the devil

I don't know what's causin' your rage

Everybody wants to know why, 'cause it's an outrage

Listen up or pay the price, don't know what's nice

You know it ain't right

Madness and hate, you fill your veins

I know you're different 'cause now it's not the same (huh) Your recklessness caused you pain

Unfair game or runaway train, barely tamed

Should have been cooped up in a cage

'cause it's an outrage, listen up, that's the way!

Your recklessness caused you pain

Unfair game or runaway train, barely tamed

Should have been cooped up in a cage

'cause it's an outrage, listen up, that's the way! Night is clear, got no fear

But you're scared to tears

What's up with that ya hear

I don't listen to your problems

'cause I can't solve 'em

And you know that fact be true

I should have left you astray

But I don't have my way, 'cause it's an outrage

You know it's an outrage Your recklessness caused you pain

Unfair game or runaway train, barely tamed

Should have been cooped up in a cage

'cause it's an outrage, listen up, that's the way!

Your recklessness caused you pain

Unfair game or runaway train, barely tamed

Should have been cooped up in a cage

'cause it's an outrage, listen up, that's the way! ~solo~ Your recklessness caused you pain

Unfair game or runaway train, barely tamed

Should have been cooped up in a cage

'cause it's an outrage, listen up, that's the way!

Your recklessness caused you pain

Unfair game or runaway train, barely tamed

Should have been cooped up in a cage

'cause it's an outrage, listen up, that's the way!
