

Sluts Get Guts

Blood on the Dance Floor

He's under you
(He's under you!)
Sluts get guts
Fate! cuts
Make me feel murderess
Made you cry
Made you die
Makes me feel so alive!
You got served
You deserve it
Take what on the curb*
All the sluts
Drive me nuts
That's why all they get is guts! Sluts get guts!
Kill em' till they rot
Sluts get guts!
Kill em' till they rot
