

Doctor Rock

Ween

I tried a-modulating and articulating
All the feelings that I have for you
Dr. Rock, help me out for I need to shout it
Dr. Rock, quickly Derek run and get your mammy
There is no denying all you've been supplying
Is a slathering ball of flesh
Dr. Rock, the light of death is gonna shine again
Dr. Rock, and I'll let you in with no escape...
(Let's just do it again) Don't conceal your tragic flaw
Give the Dr. Rock a call
Dr. Rock, come quickly to see the scene
Dr. Rock, got everything that you need, you're the
You're the apple of my eye
But with some aid I feel you'll die
Dr. Rock, save the soul from a bottomless pit
Dr. Rock, and see what you can make of it
You like the s... You like the suffocating of a small crustacean
As you hammered your way to the truth
Dr. Rock, but as examined by an Indian eye
Dr. Rock, another lie that you're going to die
Don't try that modulating and articulating
All the feelings that I have for you
Dr. Rock, help me out for I need to shout it
Dr. Rock, quick Derek run and get your mammy
