

John (Explicit) ft. Rick Ross

Lil' Wayne

Fo' fo' bulldog, my motherfucking pet
I point it at you and tell that motherfucker fetch
I'm fucking her good, she got her legs on my neck
I get pussy, mouth and ass, call that bitch triple threat
When I was in jail she let me call her collect
But if she get greedy, I'ma starve her to death
Top down, it's upset been fucking the world and nigga and I ain't cum yet!
You fuck with me wrong, I knock your head off your neck
The flight too long, I got a bed on the jet
The guns are drawn and I ain't talking bout a sketch
I pay these niggas with a reality check
Prepare for the worst but still praying for the best
This game is a bitch I got my hand up her dress
The money don't sleep so Weezy can't rest
An AK47 is my fucking address, huh
I'm not a star, somebody lied
I got a chopper in the car
I got a chopper in the car
I got a chopper in the car Load up the choppers like it's December 31st
Roll up and cock it and hit them niggas where it hurts
If I die today, remember me like John Lennon
Buried in Louie, I'm talking all brown linen, huh Big black niggas, and an icey watch
Shoes on the coupe, bitch I got a Nike shop
Counts the profits you could bring 'em in a Nike box
Grinding in my Jordans kick em off they might be hot, swish!!
I'm swimming in the yellow bitch, boss
In the red 9-11 looking devilish
Red beam make a bitch nigga sit down
Thought it were bullet proof 'til he got hit the fifth time
Drop Palmolive in a nigga dope
Make it come back even harder than before
Baby I'm the only one that paid your car notes
Well connected, got killers off in Chicago
I'm not a star, somebody lied
I got a chopper in the car
I got a chopper in the car
I got a chopper in the car Load up the choppers like it's December 31st
Roll up and cock it and hit them niggas where it hurts
If I die today, remember me like John Lennon

Buried in Louis, I'm talking all brown linen, huhTalk stupid get ya head popped

I got that Esther, bitch I'm red fox

Big bee's, Red Sox

Empty the clip than roll a window up

Pussy niggas sweet, you niggas Cinnabon

The bigger the bullet the more that bitch gonna bang

Red on the wall, Basquiat when I paint

Red Lamborghini 'til I gave it to my bitch

My first home invasion, papi gave me 40 bricks

Son of a bitch, then I made a great escape

Ain't it funny momma, only son be baking cakes

Pull up in the sleigh, hop out like I'm Santa Claus

Niggas gather round, got gifts for all of y'all

Take it home and let it bubble that's the double up

If you get in trouble that just mean you fucking up

It's a cold world I need a bird to cuddle up
